Rena,

The San Jacinto PRPs are (only 2):

McGinnes Industrial Maintenance Corporation
International Paper Company

For the task order funding source, please use the special account for San Jacinto (2015 TR2B 06L 303DD2 06ZQCO00).

And, thanks for letting me know about the POP limit.

Regards,

I understand that you can assist with providing the PRPs for the San Jacinto Waste Pits SF Site. I need this list so I can forward it to the contracting officer to ask the contractor to perform a Conflict of Interest Certification. The RPM has requested that a work plan be developed for work at this site. I would appreciate the information as soon as possible if that is something that can be provided quickly. Thanks. renA
